Sam's Club Supports University Center Children's Activity Area

SIOUX FALLS, SD – December 10, 2010 – University Center is the recipient of a grant from Sam's Club of Sioux Falls for the creation a children's educational area on campus.

Sam's Club manager Cody Nelson presented University Center Executive Dean Mark Lee with a check for \$750. The funds will be used to supply the "Lil' Scholars" area of University Center with children's furniture and toys.

The "Lil' Scholars" corner was developed to provide a place for the children of UC students to play and learn while their parents are on campus. Approximately half of the students who attend University Center have children.

About University Center

South Dakota Public Universities & Research Center, or University Center, provides the greater Sioux Falls community with convenient local access to public higher education programs from in-state partner Universities. University Center offers programs from the University of South Dakota, South Dakota State University, Dakota State University, Northern State University and Black Hills State University and served nearly 3,500 students this past year. At University Center the focus is on the adult learner and academic programs and courses that foster and support the economic development of the Sioux Falls area.
