

Employment Opportunity

The Compass Center currently has an opening for a Counselor/Advocate to work with victims of sexual assault and domestic violence. This open position can be one full-time benefited position or two part-time positions.

The position will provide crisis intervention, counseling and advocacy for primary and secondary victims (adults and children) of sexual assault and domestic violence. Crisis intervention includes providing outreach support at hospitals, assisting with protection orders and safety planning. Counseling will include individual and group therapy. Advocacy will include providing medical advocacy and advocacy with law enforcement and the courts. Masters Degree in Counseling or Social Work required.

Submit letter of interest and resume:
